

Dear guest,

if your reservation address belongs to a German or international risk area we have already been in contact. But in case you have only visited a risk area different from your reservation address, we were unable to assist you in advance.

**We therefore ask all of our guests to observe the current legal regulations for people who have been to corona risk areas (other than transit without stop) according to the German Robert Koch Institute.**

**When entering/arriving from an official risk area, you need to be symptom-free, have a negative SARS CoV-2 test (smear not older than 48 hours), as well as carry the result with you and present it to the hotel. In addition, you have to report your arrival to the local authority or the local health department. We ask your understanding that we can only check you in if you fulfil all these requirements.**

The contact details of the authorities are as follows:

**Local authority:** Gemeinde Häusern, main office. Mr. Schlageter, phone +49 (0) 7672-9314-13; email: [hauptamt@haeusern.de](mailto:hauptamt@haeusern.de)
